CEN RO UNIVERSITARIO DE CIENCIAS DE LA SALUD  
CONSEJO GENERAL UNIVERSITARIO DE CIENCIAS DE LA SALUD

y Méritos Universitarios contempla, destacándose en particular en los campos de la Educación, la Salud y la Nutrición

- 14 Que la Universidad de Guadalajara al otorgar dicho doctorado promueve, reconoce y se compromete con la aportación en dichas áreas y específicamente con el Dr. Rafael Pérez Escamilla a generar toda una línea, gama de intercambios y desarrollos académicos que fortalecerán aun más nuestras visiones y quehaceres universitarios

Por lo anteriormente expuesto, esta Comisión Permanente de Educación ha encontrado elementos que justifican el otorgamiento de este título honorífico

## Considerandos

- I. Que la Universidad de Guadalajara es un organismo descentralizado del Gobierno del Estado de Jalisco, con autonomía, personalidad jurídica y patrimonios propios, de conformidad con lo dispuesto en el artículo 1º de su Ley Orgánica, promulgada por el Ejecutivo local el día 15 de Enero de 1994, en ejecución del decreto número 15319 del H Congreso del Estado de Jalisco
- II Que como lo señalan las fracción I, II, III y IV del artículo 5 de la Ley Orgánica de la Universidad en vigor, sus fines de esta Casa de Estudios, la formación y actualización de los técnicos, bachilleres, técnicos profesionales, profesionistas, graduados y demás recursos humanos que requiera el desarrollo socio-económico del Estado, organizar, realizar, fomentar y difundir la investigación científica, tecnológica y humanística, el rescate, conservación, acrecentamiento y difusión de la cultura, y, coadyuvar con las autoridades educativas competentes en la orientación y promoción de la educación media superior y superior, así como en el desarrollo de la ciencia y la tecnología
- III Que son atribuciones del Consejo de Centro Universitario proponer al H Consejo General Universitario confiera títulos honoríficos con las categorías de Emeritos y Honoris Causa, de conformidad con lo dispuesto en su Ley Orgánica en el artículo 31 fracción X
- IV Que de conformidad a lo previsto en la fracción VI, artículo 53 de la Ley Orgánica, es atribución de los Consejos de Centro presentar candidatos para el otorgamiento de títulos honoríficos, con la categoría de emérito y honoris causa al Consejo General Universitario

Que tal y como lo dispone el numeral 6 del Reglamento para Otorgar Galardones y Méritos Universitarios, el Consejo de Centro Universitario presentará la propuesta para el otorgamiento de títulos honoríficos ante el Presidente del H Consejo General Universitario para someterla a discusión de las Comisiones de Educación y de Hacienda

Por lo anteriormente expuesto y fundado, esta Comisiones Permanente de Educación, propone los siguientes

## Resolutivos

**Primero.** - Se aprueba la propuesta para que se otorgue el título de "Doctor Honoris Causa" de la Universidad de Guadalajara al **Dr. Rafael Pérez Escamilla**, por su valiosa contribución a la

## Acta de la Sesión Extraordinaria H. Consejo de Centro Universitario de Ciencias de la Salud Octubre 13, 2015

La sesión dio inicio a las 9:00 horas del día 13 de octubre de 2015, en el Auditorio de Patología de este Centro Universitario, y contando con la presencia de 36 Consejeros, el Presidente del Consejo Dr. Jaime F. Andrade Villanueva, declara la existencia de cuorum y pone a la consideración de los señores consejeros la siguiente:

### ORDEN DEL DÍA

- I LISTA DE PRESENTES Y DECLARATORIA DE QUÓRUM
- II PROPUESTA DEL ORDEN DEL DÍA
- III PRESENTACIÓN Y EN SU CASO, APROBACION DEL ACTA DE LA SESION EXTRAORDINARIA DEL 27 DE AGOSTO DE 2015
- IV PRESENTACIÓN Y EN SU CASO, APROBACIÓN DE LOS DICTAMINES DE LAS COMISIONES PERMANENTES
- V PRESENTACIÓN Y APROBACIÓN DEL DICTAMEN DE LA COMISION ELECTORAL POR EL CUAL SE CALIFICA DE LEGAL Y VÁLIDA LA ELECCIÓN DE CONSEJEROS ANTE EL H. CONSEJO GENERAL UNIVERSITARIO, CONSEJO DE CENTRO Y CONSEJOS DIVISIONALES PARA EL PERIODO 2015-2016
- VI CLAUSURA DE LOS TRABAJO DEL PERIODO 2014-2015.

El Dr. Jaime F. Andrade Villanueva, Presidente del Consejo, pone a la consideración del pleno la orden día y pregunta si se aprueba o si hubiera observaciones a la misma, favor de manifestarlo. No habiendo comentarios a la orden del día, se aprueba en votación económica y por unanimidad de votos la orden del día.

El Presidente del Consejo indica que anexo al citatorio de esta sesión de Consejo fue entregada el acta de la sesión extraordinaria del 27 de agosto de 2015, por lo que pone a la consideración de los señores consejeros la dispensa de la lectura de la misma. Se aprueba la solicitud del Presidente, y pregunta si es de aprobarse o si hubiera observaciones a la misma. No habiendo ningún comentario al acta de referencia, se aprueba en votación económica y por unanimidad de votos.

Siguiendo con la orden del día el Presidente del Consejo solicita al Secretario la presentación de los dictámenes de las diferentes Comisiones Permanentes de este Consejo de Centro.

### COMISIONES CONJUNTAS DE EDUCACIÓN Y HACIENDA.-

#### Supresión y Creación de programas educativos (3 dictámenes).

- 1 Dictamen No. 908/2015 mediante el cual se aprueba la supresión del programa educativo de la Especialidad en Retina Médica y Quirúrgica y la creación del nuevo programa educativo de la Especialidad en Retina Médica y Quirúrgica, proveniente de la División de Disciplinas Clínicas, Departamento de Clínicas Quirúrgicas, a partir del calendario escolar 2016 A.

# UNIVERSIDAD DE GUADALAJARA

CENTRO UNIVERSITARIO DE CIENCIAS DE LA SALUD  
CONSEJO DE CENTRO UNIVERSITARIO DE CIENCIAS DE LA SALUD

El **Dr. Jaime F. Andrade Villanueva, Presidente del Consejo** explica, que estos dictámenes de programas educativos de especialidades se han estado actualizando ya que serán sometidos a la renovación o la incorporación dentro del PNPIC y en los cuales se han incorporado todas las observaciones y recomendaciones que ha hecho los organismos pares durante las evaluaciones previas

El **Mtro. Rogelio Zambrano Guzmán, Secretario del Consejo** da lectura al dictamen anterior

El **Presidente del Consejo** pone a la consideración del pleno el dictamen de la Especialidad en Retina Médica y Quirúrgica y pregunta si es de aprobarse o hubiera observaciones a dicho dictamen. No habiendo comentarios al dictamen, se aprueba en votación económica y por unanimidad de votos.

2 Dictamen No. 909/2015 mediante el cual se aprueba la supresión del programa educativo de la Especialidad en Oftalmología y la creación del nuevo programa educativo de la Especialidad en Oftalmología, proveniente de la División de Disciplinas Clínicas, Departamento de Clínicas Quirúrgicas, a partir del calendario escolar 2016 A.

El **Secretario del Consejo** da lectura al dictamen de la Especialidad en Oftalmología.

El **Presidente del Consejo** pone a la consideración del pleno el dictamen de la Especialidad en Oftalmología y pregunta si es de aprobarse o hubiera comentarios al mismo. No habiendo observaciones al dictamen, se aprueba en votación económica y por unanimidad de votos.

3 Dictamen No. 910/2015 mediante el cual se aprueba la supresión del programa educativo de la Especialidad en Medicina del Trabajo y la creación del nuevo programa educativo de la Especialidad en Medicina del Trabajo y Ambiental, proveniente de la División de Disciplinas Clínicas, Departamento de Clínicas Médicas, a partir del calendario escolar 2016 A.

El **Mtro. Rogelio Zambrano Guzmán, Secretario del Consejo** hace la presentación del dictamen de la Especialidad en Medicina del Trabajo y Ambiental.

El **Presidente del Consejo** pone a la consideración del pleno el dictamen anterior y pregunta si es de aprobarse o hubiera comentarios al mismo.

Los consejeros **Dr. Noé Alfaro Alfaro, Dr. Juan Víctor Manuel Lara Vélez, Dr. Pedro Reynaga** intervienen para mencionar que si no hay duplicidad con la Maestría en el Trabajo y con la Maestría en Salud Ambiental que se tiene en conjunto con el CUCBA, además si la palabra ambiental toca cuestiones de sustancias tóxicas, residuos en el agua, etc., y como un médico especialista puede participar en un diagnóstico de intoxicación por plomo a través de agua o de mercurio, si dentro del programa se especifica claramente cómo es que se va a relacionar lo laboral con lo ambiental, ya que hay algunos huesos relacionados con la palabra ambiental, que habría que revisarse el programa académico completo para ver en donde está lo ambiental y que en todo caso debería denominarse como Especialidad en Medicina y Ambiente del Trabajo, puede ser que el nombre sea incorrecto y dan ejemplos de como se denomina esta especialidad en otros países, que se tiene que ser más agresivos como institución en cuanto al nombre de esta especialidad.

El **Presidente del Consejo** menciona que es una especialidad médica, que tiene muchos años funcionando y los egresados evalúan enfermedades que se generan en ambientes de trabajo.

La **Dra. Norma Argelia Quezada Figueroa** indica que esta especialidad esta perfectamente limitada en sus funciones, es reconocida a nivel nacional como especialidad médica y su función primordial es la asistencia, además de la parte legal que es muy importante en relación con medicina del trabajo, es un perfil muy específico dentro de instituciones como el IMSS o el ISSSTE

A continuación el Presidente del Consejo solicita la autorización del pleno para que la **Dra. Ana Esther Mercado González**, tome la palabra e intervenga en este Consejo. Se aprueba la solicitud del Presidente del Consejo en votación económica y por unanimidad de votos

La **Dra. Ana Esther Mercado González** explica que este programa académico se trabajó en conjunto con el IMSS y el ISSSTE, aportando todos para la construcción del programa, que se hizo un ejercicio previo a nivel nacional con la Secretaría del Trabajo y la Secretaría de Salud para hacer un formato único en cuanto a medicina del trabajo y la parte ambiental, que al hacer esta actualización va muy fortalecida, ya que esta completamente apegada a lo que se espera de esta especialidad a nivel nacional, que no se puede librar de lo que es un esquema nacional explicando que las unidades de aprendizaje de este programa están relacionadas con el ambiente laboral, que la Universidad de Guadalajara ejerce su autonomía en la construcción del programa educativo, no hay que olvidar que es un programa multi-institucional y se tiene que responder a otras instancias a nivel nacional

El **Presidente del Consejo** manifiesta que la confusión viene de la palabra ambiental, dejaría claro que es ambiente laboral, que no se puede cambiar el nombre del programa ya que así lo tiene la CIBRHS y en el catálogo de especialidades así se denomina, se puede incluir en el programa educativo pero no en el nombre, ya que la función primordial de los egresados de este programa además de la dictaminación de riesgos, de incapacidades, de mejora del ambiente laboral, de seguridad, también asesoran a las comisiones mixtas de seguridad e higiene de las empresas y no sólo hace función de riesgos sino también de prevención

El **Presidente del Consejo** menciona que en virtud de que no quedo suficientemente discutido este programa, pregunta si es de aprobarse. Se aprueba el dictamen de la supresión del programa educativo de la Especialidad en Medicina del Trabajo y la creación del nuevo programa educativo de la Especialidad en Medicina del Trabajo y Ambiental en votación económica y por unanimidad de votos

#### **COMISIÓN DE EDUCACIÓN.-**

##### **Modificaciones de programas educativos (3 dictámenes)**

1. Dictamen No. 911/2015 mediante el cual se aprueba la modificación al programa educativo del Doctorado en Ciencias de la Salud Pública, a partir del calendario escolar 2016 A

El **Secretario del Consejo** da lectura al dictamen anterior

El **Presidente del Consejo** pregunta si hubiera comentarios u observaciones a dicho dictamen. No habiendo comentarios al dictamen de la modificación del programa educativo del Doctorado en Ciencias de la Salud Pública, se aprueba en votación económica y por unanimidad de votos

2. Dictamen No. 912/2015 mediante el cual se aprueba la modificación al programa educativo del Maestría y Doctorado en Ciencias Socio Médicas, a partir del calendario escolar 2016 A

# UNIVERSIDAD DE GUADALAJARA

CENTRO UNIVERSITARIO DE CIENCIAS DE LA SALUD  
CONSEJO O CENTRO UNIVERSITARIO DE CIENCIAS DE LA SALUD

El **Secretario del Consejo** hace la presentación del dictamen de modificación de la Maestría y Doctorado en Ciencias Socio Médicas.

El **Presidente del Consejo** pregunta si hubiera comentarios u observaciones a dicho dictamen. No habiendo comentarios al dictamen referido, se aprueba en votación económica y por unanimidad de votos.

- 3 Dictamen No. 931/2015 mediante el cual se aprueba la modificación al programa educativo del Doctorado en Ciencias en Biología Molecular en Medicina, a partir del calendario escolar 2016 A.

El **Secretario del Consejo** da lectura al dictamen anterior.

El **Presidente del Consejo** pregunta si hubiera comentarios u observaciones a dicho dictamen. No habiendo comentarios al dictamen de la modificación del programa educativo del Doctorado en Ciencias en Biología Molecular en Medicina, se aprueba en votación económica y por unanimidad de votos.

Continuando con el listado de dictámenes el **Presidente del Consejo** pone a la consideración de los señores Consejeros aprobar en bloque los siguientes dictámenes y si alguno de los consejeros tuvieran observaciones o comentarios a algún dictamen se atendería. Se aprueba la propuesta en votación económica y por unanimidad de votos.

### Autorización de sedes para impartir Especialidades (3 dictámenes)

- 1 Dictamen No. 913/2015 se aprueba la propuesta para que se imparta la Especialidad en Medicina Paliativa y del Dolor en el Hospital Civil "Fray Antonio Alcalde".

El **Secretario del Consejo** hace la presentación del dictamen anterior.

El **Presidente del Consejo** pregunta si hubiera comentarios u observaciones a dicho dictamen. No habiendo comentarios al respecto, se aprueba en votación económica y por unanimidad de votos.

### Cambios de Centro autorizados (Regionales/CUCS /7 dictámenes).

- 1 Dictamen No. 915/2015 mediante el cual se aprueba la solicitud de cambio del Centro Universitario del Sur al Centro Universitario de Ciencias de la Salud del (a) alumno (a) Larios Cárdenas Mariana, de la carrera de Médico Cirujano y Partero. Calendario escolar 2015 B.
- 2 Dictamen No. 916/2015 mediante el cual se aprueba la solicitud de cambio del Centro Universitario de la Costa al Centro Universitario de Ciencias de la Salud de los (a) alumnos (a) Ruiz Ruvalcaba Enrique Arturo, González Delgado Marco Vinicio y Rincon González Nelyda Janeth, de la carrera de Médico Cirujano y Partero. Calendario escolar 2015 B.
- 3 Dictamen No. 917/2015 mediante el cual se aprueba la solicitud de cambio del Centro Universitario del Norte al Centro Universitario de Ciencias de la Salud del (a) alumno (a) Ortega Navarro Sonia Gisela de la Licenciatura en Psicología. Calendario escolar 2015 B.
- 4 Dictamen No. 918/2015 mediante el cual se aprueba la solicitud de cambio del Centro Universitario de Tonalá al Centro Universitario de Ciencias de la Salud de los (a) alumnos (a) Torres Arias Jocelyn Graciela, Salcedo López Rodrigo, Ramírez Arellano María Estefanía, Gutierrez González Alejandro y González Peña Lilia Carolina de la carrera de Médico Cirujano y Partero. Calendario escolar 2015 B.

El **Secretario del Consejo** presenta los dictámenes anteriores

El **Presidente del Consejo** pregunta si hubiera comentarios u observaciones a los dictámenes de condonaciones. No habiendo comentarios a los dictámenes referidos, se aprueban en votación económica y por unanimidad de votos.

### **COMISIÓN DE REVALIDACIÓN DE ESTUDIOS, TÍTULOS Y GRADOS.**

#### **Reconocimiento de Validez Oficial de Estudios (1 dictamen).**

- 1 Dictamen 799/2015 mediante el cual se autoriza que la institución educativa UI Internacional, A.C., tenga por única vez 17 alumnos más en un grupo diferente a los 40 (cuarenta) alumnos que se autorizaron e imparta el plan de estudios de la carrera de Licenciatura en Enfermería, en el calendario escolar 2015 B.

El **Secretario del Consejo** da lectura al anterior dictamen.

El **Presidente del Consejo** pone a la consideración del pleno el dictamen de Reconocimiento de Validez Oficial de Estudios y pregunta si hubiera comentarios u observaciones al mismo.

La **Mtra. Laura Margarita Gutiérrez Padilla** pregunta si habrá algún momento, antes de autorizar los REVOE, que se lleven a cabo estudios en cuanto a la capacidad instalada en el Estado de Jalisco para llevar a cabo las prácticas clínicas, porque si bien es cierto que hace algunos años, cuando se hablaba de las incorporadas se mencionaba que era mejor tenerlas cerca para poder iniciar en la calidad, cosa que no ha sido así, la calidad sigue siendo muy cuestionable y de todas maneras las alumnas egresan de la Universidad de Guadalajara, por lo que tal pareciera que dentro de la misma Universidad nos hacemos competencia al estar buscando las áreas clínicas para las prácticas, se bene que ser muy exigente para que den el perfil necesario ya que muchas escuelas incorporadas presentan demasiadas carencias.

El **C. Anthony Prado** manifiesta que como integrante de esta Comisión, se hizo la visita a la escuela, se tuvo revisión muy completa, visita que produjo observaciones que debieron haberse solventado y sólo se autorizaron estos 17 alumnos que ya estaban inscritos, ya que UI Internacional, A.C., había solicitado autorización para inscribir a una cantidad mayor en cada uno de los grupos.

El **Dr. Juan Víctor Manuel Lara Vélez** propone que se autoricen los REVOE hasta cierta generación de alumnos y exigirles la acreditación y si no cumple con este requisito no autorizar, que se verifique muy bien las condiciones en las que operan estas escuelas y que se busquen parámetros para autorizar el REVOE.

El **Presidente del Consejo** menciona que está totalmente de acuerdo con los comentarios y que ya se han dado indicaciones para que se tenga mucho cuidado con las inspecciones que se hacen a las escuelas incorporadas, que va se están trabajando mecanismos para acotar estos crecimientos anormales de las incorporadas. Pregunta si hubiera más comentarios al respecto, no habiendo más observaciones al dictamen referido se aprueba en votación económica y por unanimidad de votos.

## **Acreditaciones (51 dictámenes).**

- 1 Dictamen No. 342/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Contreras Jiménez Adan de la carrera de Licenciatura en Cultura Física y Deportes.
- 2 Dictamen No 343/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Ortiz Correa Kevin Ricardo de la carrera de Licenciatura en Cultura Física y Deportes.
- 3 Dictamen No 520/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Aguiar Álvarez Myrna Lorena de la carrera de Licenciatura en Cultura Física y Deportes.
- 4 Dictamen No 546/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Montes de Oca Rodríguez Anahí de la carrera de Médico Cirujano y Partero.
- 5 Dictamen No 547/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Navel Marquez Samanta Berenice de la carrera de Médico Cirujano y Partero.
- 6 Dictamen No 749/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Alatorre Rodríguez Ana Barbara de la carrera de Médico Cirujano y Partero.
- 7 Dictamen No 750/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Barajas Ruiz María del Carmen de la carrera de Técnico Superior Universitario en Terapia Física.
8. Dictamen No 754/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. García Quintero Francisco Javier de la carrera de Técnico Superior Universitario en Terapia Física.
- 9 Dictamen No 756/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Jiménez Lomeli Carlos Francisco de la carrera de Técnico Superior Universitario en Terapia Física.
- 10 Dictamen No 757/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Águila Barragán Francisco David de la carrera de Licenciatura en Cirujano Dentista.
- 11 Dictamen No 758/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Apancio Velazquez Ana Alejandra de la carrera de Licenciatura en Cirujano Dentista.
12. Dictamen No. 759/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Carrillo Arreola María Fernanda de la carrera de Licenciatura en Cirujano Dentista.
13. Dictamen No 760/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Flores Vázquez Ma. De Lourdes de la carrera de Licenciatura en Cirujano Dentista.
- 14 Dictamen No 761/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Loza Ibarra Joselyne Nataly de la carrera de Licenciatura en Cirujano Dentista.
- 15 Dictamen No 762/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Lozano Rodríguez Diana Isabel de la carrera de Licenciatura en Cirujano Dentista.
16. Dictamen No. 763/2015 mediante el cual se aprueba la acreditación de las unidades de enseñanza-aprendizaje del (a) alumno (a) C. Madrigal Martínez José Eduardo de la carrera de Licenciatura en Cirujano Dentista.

## Rafael Pérez Escamilla

### Resumen de CVU

- Profesor titular de epidemiología y salud pública en la Universidad de Yale donde es también director del programa de salud global en la Universidad de Yale
- Obtuvo su licenciatura en ingeniería química en la Universidad Iberoamericana
- Maestría en ciencias de los alimentos y su doctorado en nutrición en la Universidad de California en Davis con post-doctorado en el área de nutrición y desarrollo infantil
- Experto reconocido internacionalmente por sus investigaciones científicas en las áreas de nutrición y salud materno-infantil y de la inseguridad alimentaria en el hogar y en desarrollo de políticas públicas de nutrición basadas en evidencia para prevenir la obesidad y las enfermedades crónico-degenerativas. Estos proyectos se han llevado a cabo en América Latina y Caribe (incluyendo México), África Occidental (Gambia, Senegal y Nigeria) y en los EUA
- Su trabajo científico ha contribuido substancialmente a mejoras mundiales en las áreas de promoción, protección y apoyo de la lactancia materna, disminución de la inseguridad alimentaria en el hogar, disminución de la anemia durante la primera infancia, programas comunitarios de salud y nutrición materno-infantil, manejo de la diabetes tipo 2 a través de trabajadores comunitarios de salud, y políticas públicas de alimentación, nutrición y salud pública
- Presidente de la Sociedad Internacional de Investigación de Leche Humana y Lactancia Materna. Miembro del Consejo de Alimentación y Nutrición del Instituto de Medicina de la Academia de Ciencias de los EUA
- Elegido dos veces como miembro de los comités de las guías alimentarias de los EUA (2010 y 2015)
- Miembro del consejo directivo del Instituto Sackler de Nutrición de la Academia de Ciencias de Nueva York.
- Miembro del consejo directivo de la Sociedad Norteamericana de Nutrición y fue
- Expresidente del consejo directivo de la Fundación de la Organización Panamericana de La Salud
- Asesor experto en el área de lactancia para el comité de guías alimentarias de la Organización Mundial de la Salud
- Miembro del comité ejecutivo de la revista *Lancet* a cargo de desarrollar la serie del 2015 sobre el desarrollo temprano de los niños
- Asesor científico de alto nivel de proyectos de seguridad alimentaria y salud materno-infantil de la Organización Panamericana de la Salud, la Organización Mundial de la Salud, UNICEF, el Programa de Desarrollo de Naciones Unidas, la FAO, el Banco Mundial, la Fundación Bill & Melinda Gates, La Fundación Familia Larsson-Rosenquist y de los gobiernos de México, Brasil, Colombia y los Estados Unidos
- En México El Dr. Pérez-Escamilla asesora al gobierno en el re-establecimiento de un programa nacional efectivo de lactancia materna, en la medición de la inseguridad alimentaria en el hogar a través de encuestas nacionales de ingresos y de salud y nutrición, y en el desarrollo de guías alimentarias apropiadas para el país
- El Dr. Pérez-Escamilla ha publicado 150 artículos científicos, 2 libros, 8 números especiales en revistas científicas especializadas, y numerosos capítulos de libros y reportes técnicos. Ha sido asesor principal de 60 estudiantes de maestría, doctorado, y post-doctorado y ha facilitado estancias de investigación para 15 académicos de diversos países con su grupo de trabajo

- Ha recibido numerosos reconocimientos profesionales incluyendo el premio Ehrlich-Koldovsky de la Sociedad Internacional de Investigación en Lactancia Materna e invitaciones a dictar más de 200 conferencias en instituciones académicas, organizaciones gubernamentales, no gubernamentales e internacionales esparcidas por todas las regiones del mundo

### Biografía:

Programa de investigación del Dr. Pérez-Escamilla se concentra en temas de la comunidad nacional y mundial / nutrición de salud pública, incluyendo

- eficacia y efectividad de los modelos de los trabajadores de salud de la comunidad para mejorar el comportamiento, metabólico y resultados de la enfermedad entre los latinos con diabetes tipo 2
- intervenciones de asesoramiento nutricional pares infantiles,
- medición de la seguridad alimentaria de los hogares y las políticas
- crecimiento y desarrollo de los bebés nacidos de mujeres VIH-positivas y
- nutrición comunitaria diseño y evaluación de programas

En la actualidad es (co) principales disparidades en la salud, los programas de creación de capacidad nutrición y seguridad alimentaria en Connecticut, Ghana y Brasil. Todos sus proyectos incluyen fuertes esfuerzos de alcance comunitario y de desarrollo laboral para ayudar a traducir los hallazgos científicos en las prácticas mejoradas y los resultados de salud a nivel comunitario. Fue nombrado a EE.UU. Comité Asesor Guías Alimentarias 2010 de los Secretarios de Salud y Agricultura.

Dr. Pérez-Escamilla es también el director de la Oficina YSPH de Salud Comunitaria. Esta oficina se creó en 2008 para mejorar la educación pública práctica de la salud, la investigación aplicada, y las asociaciones de salud de la universidad de la comunidad.

UNIVERSIDAD DE GUADALAJARA  
CONSEJO GENERAL UNIVERSITARIO

Exp.021  
Dictamen Num I/2014/200

I Que la Universidad de Guadaluajara es un organismo descentralizado del Gobierno del Estado de Jalisco con autonomía personalida jurídica y patrimonio propios, de conformidad con lo dispuesto en el artículo 1 de su Ley Orgánica promulgada por el Ejecutivo local el día 15 de enero de 1994, en ejecución del decreto número 15319 del H Congreso del Estado de Jalisco.

II Que es atribución del Consejo General Universitario conferir títulos honoríficos con las categorías de Eméritos y Honoris Causa, de conformidad con lo dispuesto en su Ley Orgánica, artículo 31, fracción X.

III Que son funciones y atribuciones de la Comisión de Educación, conforme lo establece el Estatuto General, artículo 85, fracción IV, conocer y dictaminar acerca de las propuestas de los Consejeros Rector General o de los titulares de los Centros, Divisiones y Escuelas

IV Que el Consejo General Universitario funciona en pleno o por comisiones, las que pueden ser permanentes o especiales, como lo señala el artículo 27 del referido ordenamiento legal.

V Que de conformidad a lo previsto en la fracción VI, artículo 52 de la Ley Orgánica, es atribución de los Consejos de Centro presentar candidatos para el otorgamiento de títulos honoríficos, con la categoría de eméritos y honoris causa al Consejo General Universitario

VI Que tal y como lo dispone el numeral 6 del Reglamento para Oligar Galardonés y Meritos Universitarios el Consejo de Centro Universitario presentará la propuesta para el otorgamiento de títulos honoríficos ante el Presidente del H Consejo General Universitario, para someterla a discusión de las Comisiones de Educación y de Hacienda

Por lo anteriormente expuesto y fundado, estas Comisiones Permanentes Conjuntas de Educación y de Hacienda nos permitimos proponer al pleno del H Consejo General Universitario las siguientes

Handwritten signatures and initials, including a large signature that appears to be 'R. G.' and other smaller initials.

## Rafael Pérez Escamilla

### Resumen de CVU

- Profesor titular de epidemiología y salud pública en la Universidad de Yale donde es también director del programa de salud global en la Universidad de Yale
- Obtuvo su licenciatura en ingeniería química en la Universidad Iberoamericana
- Maestría en ciencias de los alimentos y su doctorado en nutrición en la Universidad de California en Davis con post-doctorado en el área de nutrición y desarrollo infantil
- Experto reconocido internacionalmente por sus investigaciones científicas en las áreas de nutrición y salud materno-infantil y de la inseguridad alimentaria en el hogar y en desarrollo de políticas públicas de nutrición basadas en evidencia para prevenir la obesidad y las enfermedades crónico-degenerativas. Estos proyectos se han llevado a cabo en América Latina y Caribe (incluyendo México), África Occidental (Gambia, Senegal y Nigeria) y en los EUA
- Su trabajo científico ha contribuido substancialmente a mejoras mundiales en las áreas de promoción, protección y apoyo de la lactancia materna, disminución de la inseguridad alimentaria en el hogar, disminución de la anemia durante la primera infancia, programas comunitarios de salud y nutrición materno-infantil, manejo de la diabetes tipo 2 a través de trabajadores comunitarios de salud, y políticas públicas de alimentación, nutrición y salud pública
- Presidente de la Sociedad Internacional de Investigación de Leche Humana y Lactancia Materna, Miembro del Consejo de Alimentación y Nutrición del Instituto de Medicina de la Academia de Ciencias de los EUA
- Elegido dos veces como miembro de los comités de las guías alimentarias de los EUA (2010 y 2015)
- Miembro del consejo directivo del Instituto Sackler de Nutrición de la Academia de Ciencias de Nueva York.
- Miembro del consejo directivo de la Sociedad Norteamericana de Nutrición y fue
- Expresidente del consejo directivo de la Fundación de la Organización Panamericana de La Salud
- Asesor experto en el área de lactancia para el comité de guías alimentarias de la Organización Mundial de la Salud
- Miembro del comité ejecutivo de la revista *Lancet* a cargo de desarrollar la serie del 2015 sobre el desarrollo temprano de los niños
- Asesor científico de alto nivel de proyectos de seguridad alimentaria y salud materno-infantil de la Organización Panamericana de la Salud, la Organización Mundial de la Salud, UNICEF, el Programa de Desarrollo de Naciones Unidas, la FAO, el Banco Mundial, la Fundación Bill & Melinda Gates, La fundación Familia Larsson-Roscnquist y de los gobiernos de México, Brasil, Colombia y los Estados Unidos
- En México El Dr. Pérez-Escamilla asesora al gobierno en el re-establecimiento de un programa nacional efectivo de lactancia materna, en la medición de la inseguridad alimentaria en el hogar a través de encuestas nacionales de ingresos y de salud y nutrición, y en el desarrollo de guías alimentarias apropiadas para el país
- El Dr. Pérez-Escamilla ha publicado 150 artículos científicos, 2 libros, 8 números especiales en revistas científicas especializadas, y numerosos capítulos de libros y reportes técnicos. Ha sido asesor principal de 60 estudiantes de maestría, doctorado, y post-doctorado y ha facilitado estancias de investigación para 15 académicos de diversos países con su grupo de trabajo

- Ha recibido numerosos reconocimientos profesionales incluyendo el premio Ehrlich-Koldovsky de la Sociedad Internacional de Investigacion en Lactancia Materna e invitaciones a dictar mas de 200 conferencias en instituciones academicas, organizaciones gubernamentales, no gubernamentales e internacionales, esparcidas por todas las regiones del mundo

**CURRICULUM VITAE**

RAFAEL PEREZ-ESCAMILLA, PhD  
PROFESSOR OF EPIDEMIOLOGY & PUBLIC HEALTH  
DEPARTMENT OF CHRONIC DISEASE EPIDEMIOLOGY  
DIRECTOR, GLOBAL HEALTH CONCENTRATION  
DIRECTOR, OFFICE OF PUBLIC HEALTH PRACTICE  
YALE SCHOOL OF PUBLIC HEALTH  
E-MAIL: RAFAEL.PEREZ-ESCAMILLA@YALE.EDU

**PERSONAL**

Languages Spanish (fluent), English (fluent), French (proficient), Portuguese (conversational)

**EDUCATION**

B.S. 1983, Chemical Engineering, Universidad Iberoamericana, Mexico City  
M.S., 1985, Food Science, University of California at Davis  
Ph.D. 1991, Nutrition, University of California at Davis

**ACADEMIC POSITIONS**

**Yale School of Public Health**

*Professor of Epidemiology & Public Health*, Yale School of Public Health, New Haven CT, 2009-date  
*Director*, Office of Community Health, Yale School of Public Health, New Haven CT, 2009-date  
*Director*, Global Health Concentration, Yale School of Public Health, New Haven CT, 2012-date

**University of Connecticut**

*Professor of Nutrition*, Department of Nutrition, University of Connecticut, Storrs, 2006-2009  
*Professor of Public Health*, Department of Community Medicine and Health Care (*joint appointment*), University of Connecticut School of Medicine, Farmington, 2006-2009  
*Extension Nutrition Scientist*, Department of Nutrition, University of Connecticut, Storrs, 1995-date  
*Director*, Connecticut NIH EXPORT Center for Eliminating Health Disparities among Latinos, University of Connecticut, Storrs, October 2005-date  
*Director*, Hispanic Family Nutrition Program, 1995-date  
*Associate Professor and Extension Nutrition Specialist*, Department of Nutrition, University of Connecticut, Storrs, August 2000-2006  
*Associate Professor of Public Health*, Department of Community Medicine and Health Care (*joint appointment*), University of Connecticut, Farmington, 2002-2006  
*Assistant Professor*, Department of Nutrition, University of Connecticut, Storrs, 1995-August 2000  
*Assistant Professor*, Department of Community Medicine and Health Care (*joint appointment*), University of Connecticut, Farmington, 1998-2002  
*Assistant Professor-in-Residence*, Department of Nutrition, University of Connecticut, Storrs, Jan 1994-Dec 1994  
*Postgraduate researcher*, University of California at Davis, 1991-1993  
*Teaching Assistant and Laboratory Instructor*, University of California at Davis, 1988, 1990  
*Teaching Assistant and Laboratory Instructor*, Universidad Iberoamericana, Mexico City, 1987

**RESEARCH INTERESTS**

- Maternal-child global nutrition program design & evaluation at scale
- Breastfeeding determinants and interventions at scale
- Pregnancy weight gain determinants
- Household food security measurement and outcomes
- Community health worker-led Type 2 Diabetes self-management among Latinos
- Food assistance programs & child nutrition outcomes
- Evidence-based dietary guidelines

**COURSES TAUGHT**

**Yale School of Public Health**

- Maternal-Child Public Health Nutrition (graduate)

**University of Connecticut**

- Fundamentals of Nutrition (undergraduate)
- Nutrition and Human Development (undergraduate)
- Community Nutrition (graduate and undergraduate)
- Assessment of Nutritional Status (graduate, dietary and anthropometric assessment)
- Nutritional Epidemiology (graduate, international trainings)
- Statistical Analyses of Demographic and Health Surveys (international intensive trainings)
- Nutrition in Humanitarian Emergencies (graduate online course)

**PROFESSIONAL SOCIETIES**

American Public Health Association (1995-present)  
American Society for Nutritional Sciences (1995-present)  
International Society for Research in Human Milk and Lactation (1995-present)  
Society for International Nutrition Research (1995-present)  
American Anthropological Association (1998-2003)  
Society for Nutrition Education (1998-2003)

**UNIVERSITY COMMITTEES**

**Yale School of Public Health**

CEPH Reaccreditation Committee 2012-2014  
Global Health Concentration Faculty Advisory Committee 2010-date (chair, 2012-date)  
Education Committee, 2010-2011  
Academic Progress Committee, 2011-date  
Admissions Committee (minority applicants review), 2011-date  
Community Alliance for Research and Engagement steering committee 2010-date

**Yale School of Medicine**

Yale Center for Clinical Investigation (YCCI) Associate Director 1-3 Community Core

**University of Connecticut**

University-level

Vicepresident for Research and Graduate Education search committee, 2007-08  
College of Agriculture and Natural Resources Dean search committee 2007-08  
Department of Community Medicine & Health Care review University of Connecticut Health Center, Farmington CT October 22 2007  
Latin American Studies Faculty Council 2006-date  
School of Nursing *Compañeras por Salud Partners in Health* Advisory Board, 2006-date  
UNESCO Chair & Institute of Comparative Human Rights annual conference planning committee 2005-date  
Center of Public Health and Health Policy, Strategic planning committee member, 2005-date  
Center of Public Health and Health Policy, Biostatistics Task Force member, 2004-05

Master of Professional Studies Oversight Committee member, 2004-date  
Center for Health Prevention and Intervention (CHIP) advisory board member, 2004-date  
Human Subjects Institutional Review Board (IRB) member, 2004-2007  
Latin American Studies Director Search Committee, 2002  
Life Sciences Proposal Review, University of Connecticut, 1994-95, 95-96 (*chair*)  
Institute for Puerto Rican and Latino Studies, Advisory Board, 1998-date  
Institute for Puerto Rican and Latino Studies, Associate faculty, 1998-present  
Institute for Latin American and Caribbean Studies, Associate faculty, 1999-present  
UConn/Hartford Schools Partnership, 1998  
Field experience selective medical students course supervisor, 1997-present

#### College-level

4-H Program Director Search Committee, 2002  
Promotion, Tenure and Reappointment Committee, 2001, 2007 (*chair*), 2006, 2007  
International Relations Committee, 1996-1998  
Academic Excellence Committee, 1994-96  
Nutrition and Health Team, 1996-present  
Cornucopia, 1996-present  
C.A.N.R. *World* nutritional sciences editor, 1998-1999

#### Departmental-level

Faculty search committee, 2007-2008 (*chair*)  
Faculty search committee, 2004-2005 (*chair*)  
Faculty Development Committee, 1994-2000, 2001-2002 (*chair*)  
Faculty Search Committee, 1995-1996, 1998-1999  
Equipment Allocation Committee, 1995, 1997  
Promotion, Tenure and Reappointment Committee, 1995, 1997, 1998  
Department Head Search Committee, 1996, 1997, 2001-2002  
Department Seminar coordinator, 1996-1998, 2005-2006  
Undergraduate Curriculum Committee, 1998-present  
Outreach Committee, 1998-present (*founder & chair*)  
4SNS *Notes* department editor (2000-2006)

#### **PROFESSIONAL SERVICE (extramural)**

##### *Advisory Boards*

- Food and Nutrition Board, National Academy of Sciences, National Research Council, Institute of Medicine, 2012-date
- Eastern Caribbean Health Outcomes Research Network (ECHORN) steering committee member, 2012-date
- UCLA/USDA FNS, The Role of the WIC Program in Improving Periconceptional Nutrition: A Small Grants Research Program, Advisory Board member
- New York Academy of Sciences Sackler Institute for Nutrition Science, 2011-date
- UCLA/USC Center for Population Health and Health Disparities, 2010-date
- Project GO! (Guide to Obesity prevention in Latin America and US), The San Diego Prevention Research Center (SDPRC), San Diego State University, 2010-date
- Advisory Board, Health & Nutrition Arte Publico Press, University of Houston, 2009-date
- Pan American Health and Education Foundation, Washington DC, 2009-date (Chairman of the Board of Directors, 2012-2013)

- Hispanic Health Disparities Research Center (HHDR) University of Texas-El Paso, 2005-date
- Board of Directors, Connecticut Cancer Partnership the CDC funded state comprehensive cancer control consortium 2006-date
- SustNet Health Disparities and Equity Committee (co-Chair) 2010
- Connecticut Health Disparities Project's database inventory and policy development initiative Connecticut Department of Public Health (2006-2009)
- Yale-Griffin Prevention Research Center Health People 2010 Micro Grant Program Advisory Board
- Scientific Advisor to the Hispanic Health Council Inc. in Hartford Connecticut, 1995-date
- Hispanic Health Council Strategic Planning Committee Member, 2006-2007
- Connecticut Breast is Best (BIB) Advisory Board
- Hartford Hospital Human Lactation Committee
- Connecticut Folic Acid Task Force
- Evaluator of the online PhD program in Health Sciences at Touro University International, Cypress, California 2004

**Federal/NAS Scientific Committees**

- USDA/DHHS 2015 Dietary Guidelines Advisory Committee member 2013-date
- Workshop on research gaps- Causes and consequences of child food insecurity and hunger Committee on National Statistics/Food and Nutrition Board, The National Academy of Sciences 2013
- Evaluating the evidence base to support the inclusion of infants and children from birth to 24 months of age in the Dietary Guidelines for Americans- The B-24 Project (Working Group 1 Member) The HHS Office of Disease Prevention and Health Promotion National Institutes of Health (National Institute of Child Health and Human Development, NIH Division of Nutrition Research Coordination, and NHLBI) and USDA Center for Nutrition Policy and Promotion
- Perez-Escamilla R (committee chair), Updating the USDA National Breastfeeding Campaign A workshop Institute of Medicine (IOM) 2011
- IOM Gestational Weight Gain Guidelines Dissemination Committee 2011-2013
- Expert panel for the evaluation of the National Partnership for Action to End Health Disparities (NPA), Office of Minority Health DHHS 2010-2011
- USDA/DHHS 2010 Dietary Guidelines Advisory Committee member, 2008-10
- National Academies Institute of Medicine (IOM)/National Research Council (NRC) committee Re-examining the current IOM Pregnancy Weight Gain Guidelines, Washington DC 2007-09

**Global Initiatives Scientific Committees**

- Early Child Development: Lancet Series steering committee Hosted by WHO-Geneva, 2014-2015
- WHO evidence based nutrition guidelines committee (external resources for breastfeeding) WHO-Geneva, 2013-date

**Grant proposal reviews**

- Academic Pediatric Association (APA), Research in Academic Pediatrics Initiative on Diversity (RAPID) 2013-2014
- WIC Nutrition Education Innovations USDA/ARS Children's Nutrition Research Center at Baylor College of Medicine 2014
- UCLA/USDA-FNS The Role of the WIC Program in Improving Periconceptional Nutrition A Small Grants Research Program July 6 2012
- Community-Campus Partnerships for Health (CCPH) NIH Mock Grant Review Panel June 2012
- Robert Wood Johnson Foundation 2009
- Bill & Melinda Gates Foundation, 2009

- NIH, 2005 (Fogarty International Center, global health framework), 2007, 2009 (NCMHD P20 centers), 2011 (Health, Disparities and Equity Study Group)

**Professional Societies**

- Chair, American Society for Nutrition Global Nutrition Council, 2012-2014
- Chair, American Society for Nutrition Minority Affairs Committee, 2011-2013
- President, International Society for Research in Human Milk and Lactation (ISRHML), 2014-date
- Scientific Program chair, 2010 Conference of the International Society for Research in Human Milk and Lactation (ISRHML), Peru, 2009-2010
- Executive Council member of the International Society for Research in Human Milk and Lactation (ISRHML) (2000-2005, Chair, membership)
- Experimental Biology Meetings Scientific Program Planning Committee, symposium and minisymposium organizer and chair
- Community Nutrition and Public Health Research Interest Section, American Society for Nutritional Sciences, 2004-2006 (*chair*)
- Food Policy Liaison Committee Chair, Council on Nutritional Anthropology, 1999-2002

**Promotion-Tenure-Reappointment dossier reviews**

- University of Connecticut School of Medicine, promotion to professor (educator track)
- University of California at Davis, promotion to senior nutrition extensionist
- University of Pittsburgh, promotion to associate professor with tenure
- Yale University, tenure for associate professor
- Columbia University, promotion to professor
- University of Connecticut, promotion to professor
- Tufts University, promotion to professor
- University of Texas-El Paso, promotion to professor
- Boston University Medical Center, promotion to associate professor
- University of Massachusetts Amherst, promotion to associate professor with tenure

Conferences

- 1 Conference co-chair (with Carol Wagner) From Human Milk Molecules to Population Health Research Advances 17<sup>th</sup> International Society for Research in Human Milk and Lactation (ISRHML) Conference Kiawah Island, South Carolina October 23-27, 2014
- 2 Member, scientific program committee 15<sup>th</sup> Congreso de Investigación en Salud Pública (CONGSIP 2013) (15th Congress of Public Health Research), National Institute of Public Health, Cuernavaca Mexico March 6-8, 2013
- 3 Chair, scientific program committee Breastfeeding and the Nutrition Transition 15<sup>th</sup> Conference of the International Society for Research in Human milk and Lactation (ISRHML) Lima, Peru, October 8-11, 2010
- 4 Member scientific program committee 2<sup>a</sup> Conferencia Latinoamericana y Caribeña de medicina de Seguridad Alimentaria (CLACMESA II) [Second Latin American & Caribbean Household Food Security Measurement Conference] University of Campinas, Brazil, September 2-4, 2009
- 5 Chair, scientific program committee 1<sup>a</sup> Conferencia Latinoamericana y Caribeña de medicina de Seguridad Alimentaria (CLACMESA I) [First Latin American and Caribbean Household Food Insecurity Measurement Conference] Universidad de Antioquia Medellín, Colombia, June 8-10, 2007
- 6 Member, scientific program committee American Society for Nutrition (ASN)-Experimental Biology Meetings, San Francisco (2006) and Washington DC (2007)
- 7 Conference Chair Social determinants of health Center for Eliminating Health Disparities among Latinos (CEHDL) 4<sup>th</sup> Annual Conference of the NIH EXPORT Center for Eliminating Health Disparities among Latinos (CEHDL) University of Connecticut, Storrs, May 19 2009
- 8 Conference Chair Eliminating Mental Health and Addiction Disparities in Connecticut and Beyond 3<sup>rd</sup> Annual Conference of the NIH EXPORT Center for Eliminating Health Disparities among Latinos (CEHDL) Rome Ballroom Storrs, CT, May 28, 2008
- 9 Conference Chair Reducing Cancer Disparities in Connecticut and Beyond 2<sup>nd</sup> Annual Conference of the NIH EXPORT Center for Eliminating Health Disparities among Latinos (CEHDL) University of Connecticut, Storrs, May 16, 2007
- 10 Conference Chair Type 2 Diabetes and Health Disparities in Connecticut From Research to Action 1<sup>st</sup> Annual Conference of the NIH EXPORT Center for Eliminating Health Disparities among Latinos (CEHDL) Rome Ballroom, Storrs CT June 30, 2006

Workshops

- 1 Organizer (with Anne Merewood) Breastfeeding protection, promotion and support programs in the USA What works? Proceedings of the 17<sup>th</sup> International Society for Research in Human Milk and Lactation (ISRHML) Conference, pp 23-28 Kiawah Island, South Carolina, October 23, 2014
- 2 Organizer (with Gilberto Kac) Education for childhood obesity prevention The life course approach Pan American Conference on Obesity II (PACO II) Oranjestad Aruba, June 14-16, 2012
- 3 Chair, Scientific planning committee Updating the USDA National Breastfeeding Campaign A workshop Planning Committee meeting, Institute of Medicine, Washington DC, February 18, 2011
- 4 Member, scientific program committee Taller regional de armonización de la Escala Latinoamericana y Caribeña de Seguridad Alimentaria (ELCSA) ELCSA-FAO Regional

- harmonization workshop Instituto Nacional de Salud Pública Cuernavaca Mexico, September  
September 7-10, 2011
- 5 Application of the Rasch Model to Assess the Psychometric Behavior of the Adapted USDA Food Insecurity Module University of Campinas, Brazil, February 1-4, 2005
  - 6 Analysis of Demographic and Health Surveys (workshop) University of Campinas, Brazil January 28-31 2005
  - 7 Led (with Prof. Ana Maria Segal Corrêa) the two-day workshop 'Assessment and Adaptation of a Food Security Instrument for the Brazilian Population', UNICAMP, Campinas, Brazil, April 14-15 2003
  - 8 Breastfeeding epidemiology Conference of the International Society for Research in Human Milk and Lactation Mexico City, October 4, 2002
  - 9 Breastfeeding promotion 'Where do we go from here?' 16<sup>th</sup> International Congress of Nutrition Montreal, Canada, August 1997

Symposia

- 1 (with Gilberto Kac) Food insecurity and obesity risk across the life course International Congress of Nutrition, Granada Spain, September 20, 2013
- 3 (with Odilia Bermudez) Early life nutrition disparities 'Where the problem begins?' Experimental Biology meetings, April 2011
- 4 (with ELCSA scientific committee) Household food security measurement in developing countries 'Can we inform better policy?' 19th International Congress of Nutrition Bangkok, Thailand, October 8, 2009 International Congress of Nutrition, Bangkok, Thailand, October 2009
- 5 (with ELCSA scientific committee) Food insecurity measurement in Latin America 'Expanding the collaborative network' 17th Congress from the Latin American Society of Nutrition (SLAN), Florianopolis, Santa Catarina, Brazil, November 12-16 2006
- 6 (with Janet King) Evidence Based Public Nutrition: An Evolving Concept, Experimental Biology, San Francisco April 4 2006
- 7 Delivering culturally sensitive messages: The role of nutrition anthropology Society for Nutrition Education 34th Annual Conference, Oakland, CA, July 22, 2001
- 8 (with Nancy Butte) Human Lactogenesis II: mechanisms, determinants and consequences Experimental Biology Meetings, March 31-April 4, 2001, Conference Program, p 209 (symposium = 580)
- 9 Nutrition and Food Safety among Latinos: Issues for the New Millennium Program of the 128th American Public Health Association Annual Meeting Boston, MA, November 12-16, 2000, session = 4205, p 122
- 10 Nutritional challenges confronting Latinos throughout the life cycle Program from the American Public Health Association 126th Annual Meeting, Washington DC, November 15-18, 1998, session 1107, p 65

Minisymposia

- 1 Global Nutrition: Infant and Young Child Feeding Experimental Biology meetings, San Diego April, 2014 (scheduled in program)
- 2 Global Nutrition: Public health Experimental Biology meetings, Boston, April 22, 2013
- 3 Food security measurement and consequences Experimental Biology meetings, Anaheim, CA, April 26 2010
- 4 Food Insecurity in Latin America Experimental Biology Meetings, San Diego CA, April 4 2005
- 5 Public Health Interventions Experimental Biology Meetings, San Diego CA, April 5, 2005
- 6 Community and Public Health Nutrition Experimental Biology Meetings, Washington DC April 17-

## FUNDED GRANTS

### *Extramural-Active*

USDA via Baylor College of Medicine 10/01/13-9/30/16

LATCH Lactation Advice Thru Texting Can Help

This RCT examines the impact of cell texting on breastfeeding outcomes among Connecticut

WIC participants receiving breastfeeding peer counseling services

Role PI

#7-13-TS-31 American Diabetes Association (Wagner PI) 7/13-6/16

Autonomic Balance, Glycemia, and Mental Stress in Latinos with Type 2

Role co-PI

5R01MD005879 NIH-NCMHD 10/01/10 09/30/15

Stress management among Latinos with type 2 diabetes

This RCT examines the impact of a community health worker-led stress reduction intervention on

metabolic control among Latinos with type 2 diabetes

Role PI (with Julie Wagner, multi-PI agreement)

2UL1RR02139-06 (Sherwin, R) 7/1/12 – 6/30/13 6 Cal Months

Yale University Clinical and Translational Science Award Program \$5,687,410

Goals To facilitate clinical research, including by training the next generation of clinical researchers that

will lead to better treatments for human disease and better health outcomes

Role **co-investigator**

121PA1202970

07/15/12-01-14/14

Centers for disease Control and Promotion (CDC)

Baby Friendly Hospital Initiative Systematic Review

Goals Evidence based guidance for BFHI implementation and dissemination

Role PI

1R21NR013970-01

9/27/12 - 7/31/14

Title Promoting fruit and veggies among pregnant Latinas Intervention development

Funding National Institute of Nursing Research

Goals Understand food and vegetable preferences among pregnant Latinas to design gestational weight gain control intervention

**Role:** co-investigator (PI Amber Hromi Fiedler)

*Extramural-Completed*

Model of Diffusion, Dissemination, and Widespread Take-Up of Four Family Health Innovations

PI: E. Bradley
